Submitted Jun 23 at 11:34am

SECTION I: Elaborating your information

(Provide supporting ideas and details)

Question 1

Not yet graded / 6 pts

SECTION I: Elaborating your information (Provide supporting ideas and details)

Provide examples of the following:

Possible explanations why some cultures reject the modern world

Your Answer:

I agree with some experts who have found that some cultures reject the modern world for their religious beliefs.

The reason why some cultures feel scared by the bad experiences that the modern world has brought to their peoples, such as deforestation.

Question 2

Not yet graded / 6 pts

SECTION I: Elaborating your information (Provide supporting ideas and details)

Provide examples of the following:

There are environmental consequences of oil spills.

Your Answer:

The oil spill is bad for marine life and can pollute the ocean where some marine animals such as penguins, seals and seagulls swim.

I want to emphasize that the oil spill also affects the migration of animals that need to pass through that area that is contaminated, causing them to take longer to reach their destination.

Question 3**Not yet graded / 6 pts****SECTION I: Elaborating your information (Provide supporting ideas and details)****Provide examples of the following:**

Reasons why people migrate in large numbers

Your Answer:

I think it is good that people migrate that is because this is usually done to improve their lifestyle with better resources and a better environment.

The reason is that sometimes they do it out of necessity to survive since the place where they live has become very dangerous.
